# DIRECTOR'S MESSAGE

GEORGE T. EDWARDS, Foothill Region Director 2020

Welcome to August, we are now half way thru summer and nothing has changed "HOT August Nights and the Pomona Swap Meet are still cancelled. Pomona is now trying for the 18th of October. Let's hope.

Maybe, shortly we will be able to resume our early morning monthly breakfast meetings.

For now, stay safe and healthy and hope to see you soon

Your Director  
George Edwards

**MONTHLY MEETINGS**  
**First Saturday of the Month**  
**Peppercorn Café - Glendora**  
**CANCELLED**

Hello Swap Fans,

Thank you for your loyalty and hanging in there through all these crazy cancellation notices and supporting the Pomona Swap Meet. As you know, the Covid-19 pandemic has wreaked havoc on not only SoCal, but also on our state and our nation. Despite our diligent efforts to gain approval from the State of California and the LA County Health Department to re-open, the August 9, 2020 Pomona Swap Meet must be canceled. We are committed to re-opening in a manner that would adhere to all applicable county health and safety protocols; however, at this time we have been deemed an event and will not yet be allowed to open. We'll continue to work with these agencies to find a safe manner in which we can resume swap meet operations.

We are hopeful that our October 18, 2020 Swap Meet will go on successfully as planned; however, we will keep everyone updated. In the meantime, feel free to visit our FREE Classifieds site where you can continue to buy, sell or just look around.

Please hang in there, enjoy your hobby and of course, be safe out there, until October 18th!

Sincerely,  
Kim Cross  
Vice President

## Announcing TWO NEW MODELS OF THE CHEVROLET SIX

Broadening the appeal of a line of cars which has already won over 900,000 buyers since January 1st, Chevrolet presents two distinguished new enclosed models of the Chevrolet Six—the Imperial Sedan and the Sport Coupe. With beautiful new Bodies by Fisher masterly finished in striking color combinations and with numerous advanced convenience features, these new models provide in abundant measure those elements of distinction ordinarily associated only with more expensive automobiles.

External highlights, such as radiator, headlamp coves, headlamp standards and landing fenders, gleam with sparkling chromium plate. The interior upholstery is of rich, long-wearing plush. The hardware is of tasteful Terramach design, and the driver's seat is easily adjustable. Dome light, robe rail, foot rest and built-in

smoking set are provided in the Imperial Sedan... and the rear window of the Sport Coupe is easily raised and lowered by means of a convenient Terramach regulator.

When you examine the new Imperial Sedan and Sport Coupe, you will be impressed by their individuality and completeness. But you cannot fully realize what an achievement they represent—until you get behind the wheel and drive! For here are all the qualities of six-cylinder smoothness, power and acceleration which Chevrolet alone offers in the price range of the four—combined with economy of better than twenty miles to the gallon of gasoline!

See these two new models at your nearest Chevrolet dealer's. Learn the new standard of quality and luxury that Chevrolet has made available in six-cylinder cars—at prices within the reach of all!
