AUGUST 2022

A monthly newsletter for the FOOTHILL REGION of the Vintage Chevrolet Club of America

DIRECTOR'S MESSAGE

GEORGE T. EDWARDS, Foothill Region Director 2021-2022

Welcome to August everyone. "Hot August Nights" is the old saying. We can go out and see the local racing and car shows. We were invited to go to the Segerstrom Shelby Event Center last month by The Southern California Region. We had a wonderful time there. The Shelby Cobras were something to see. Then we all went over to Heroes & Legends Bar & Grill. It was a very nice time there too. I have to thank everyone that came out to enjoy the day.

Take Care,
George Edwards, Director

1969 Chevy Camaro Z/28 Featured In New Pony Cars Forever Stamp Collection

For many car enthusiasts, the height of the pony car era in U.S. automobile manufacturing is one of the most nostalgic periods in history, giving rise to such classics as the 1969 Chevy Camaro Z/28, among others. Now, the 1969 Chevy Camaro Z/28 is featured in a new commemorative line of stamps from the U.S. Postal Service.

“In the 1960s, a new breed of vehicle began appearing on our nation’s roads. Over the past six decades, fast and fun pony cars have become a uniquely American obsession,” the U.S. Postal Service states. “Since their emergence, these performance coupes and convertibles have brought a youthful spirit to the automotive world.”

As the 1970s energy crisis took hold, the popularity of pony cars like the Chevy Camaro began to wane, but by the end of the decade, pony cars made a comeback with a surge in appearances on television and in movies. Since then pony cars continue to be an integral piece of American popular culture.

In total, the new commemorative line of pony car stamps includes five iconic models. In addition to the 1969 Chevy Camaro Z/28, these also include the 1969 Ford Mustang Boss 302, the 1969 GMC Javelin SST, the 1970 Dodge Challenger R/T, and finally, the 1967 Mercury Cougar XR-7 GT.

In launching the new commemorative line of stamps, the U.S. Postal Service will host a first-day-of-issue event at the Great American Stamp Show in Sacramento, California, hosted in partnership with the American Philatelic Society. The event will be open and free to the public, and will be held on Thursday, August 25th, at 11 a.m. PT.

The new line of stamps is available for purchase through the Postal Store at usps.com, or by calling 844-737-7826. The U.S. Postal service notes that it generally receives no tax dollars for operating expenses, and relies on the sale of postage, products and services to fund operations.

Foothill Members Out & About!

On Saturday, July 9th the So Cal Region hosted an Area 1 tour to the Segerstrom Shelby Event Center in Irvine. All Regions were invited to participate and Foothill members came out to see some beautiful cars. George Edwards, Steve & Julie Knickelbein, and Jim & Sabrina Karras met up with the group, which included members from the Orange County and So Cal Regions. The collection featured an extensive selection of rare and one-of-a-kind Shelbys. There was also a treasure trove of vintage gas pumps and petroliana. The co-owner of the collection, Rae Segerstrom, greeted the group and shared information about the history and acquisition of the cars to the collection. After the tour of the Center, members went to lunch at a local restaurant, Heroes & Legends, less than a mile from the tour site.

Thank you to George Edwards for this collection of pictures from the day.

THE LITTLE CAR THAT GROWS ON YOU.

There are two ways of looking at the Vega Hatchback Coupe.

One, you can look at it as a sporty little 2-seater which, unlike most sporty little 2-seaters, has a back seat you can flip up on those rare occasions when you have three or four people aboard.

Or, you can look at it as a sporty little 4-seater which, unlike a lot of sporty little 4-seaters, has a back seat you can flip down when you have a lot of stuff to haul, like on Saturday.

The Vega Hatchback was designed from the outset to be a Hatchback.

It isn't an afterthought.

It is a beautifully balanced, beautifully engineered car with a lot more than just a lot of loadspace to entice you.

There's Vega's surprisingly responsive overhead cam engine, for example. And standard front disc brakes. A double-panel steel roof; side-guard beams in the doors; a 50,000-mile air cleaner, even an electric fuel pump that cuts out to stop the car if the oil pressure ever drops too low.

Vega. It grows on you. And it's growing on America.

Buckle your seat and shoulder belts. It's an idea you can live with.
